## INDULGE IN THE DELIGHTFUL ONRUSH OF REJUVENATION WITH AGUA LUXURY BATHWARE

Indulge in the delightful onrush of rejuvenation and decadence with Agua luxury bathware. Our assortment of exclusive and exquisite bathroom treasures engage all senses of being with their lavish elegance. Boasting of a state-of-the-art manufacturing unit in Jamnagar, Gujarat, India; Agua defines new forms in design. The brand takes pride in selection of quality materials, attention to detail and a team of unmatched qualified experts. An unrelenting passion to deliver the absolute best to our connoisseurs is the crux of our vision.

We offer a range of strikingly harmonious and defined separates of robe hooks, soap dishes, vanity holders, towel trays and napkin rings among other accessories featuring seductive gunpowder accents, chrome hues and rose metal tones. Each piece from our selection adds an understated elegance that blends well with all kinds of interiors, ranging from traditional classics to contemporary modernism.

## QUALITY

Equipped with an intensive experience and unwavering technical support, that extends from design innovations to meeting distinct standards of quality, Agua strives to consistently meet the desires and expectations of its patrons. Armed with highly advanced equipments and machinery, handled by certified professionals, Agua runs integrated quality tests, every step of the way. Right from raw materials to finished goods, the products undergo a series of processes that include salt spray test, micron thickness test and load testing, among others to harness quality that stand at par with international standards. At Agua, excellence is not a responsibility, it is a prevailing attitude.
